

Name:

Mathematics Homework 2

If you have access to the Internet, you can use [www.achildsguideto.com](http://www.achildsguideto.com) to help you to get your homework correct.

See if you can answer the following questions:

1.

Smallest					Largest

910                      91                      9001.2                      912  
                                 9.1                                      91.02

2.

Write down Nine hundred and six point four in figures.

3.

Write down 34.705 in words.

4.

Write down 308.251 in words.

5.

Calculate  $45 + 39.02 + 302.9 + 12$

Show your working and put your answer in the box on the right.

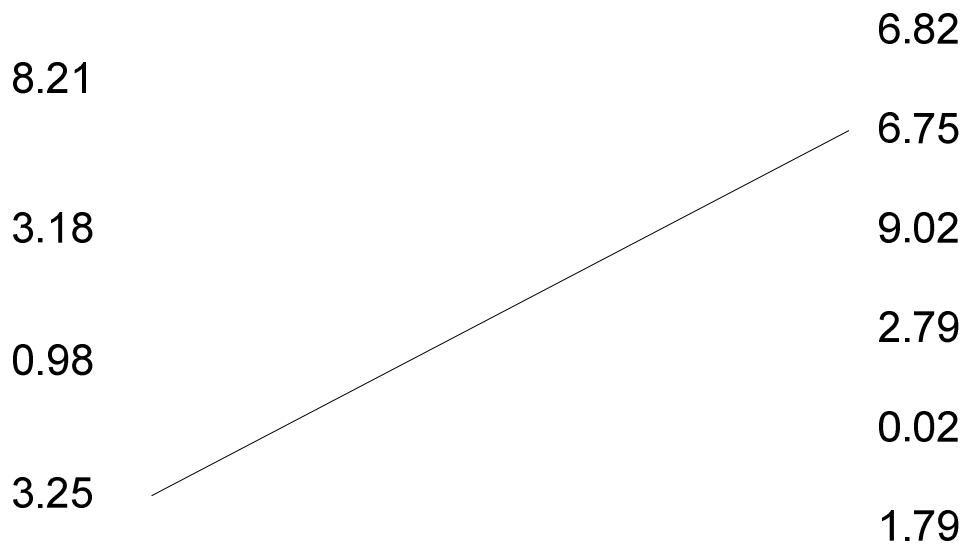

6.

Calculate  $809.2 + 62 + 0.24 + 2.453$

Show your working and put your answer in the box on the right.

7.

Draw a line pairing up the numbers that add up to make 10.

8.

--	--	--	--	--	--

Smallest

Largest

2.1            201            20.1                            21.02  
                  2.01                                            21

9.

Draw a line pairing up the numbers that add up to make 100.

12.4	39.00
61	62.5
37.5	62.05
18.47	87.6
	81.53
	91.53

10. This question is the optional challenge. See if you can work out how to do it.

<p>Calculate <math>200 - 53.7</math></p>	
<p>Show your working and put your answer in the box on the right.</p>
