Homework

Name: $\qquad$

Remember that if you get stuck, you can go onto the relevant exercises on www.achildsguideto.com
$\rightarrow$ Maths.
1.

John went shopping. He bought 3 kg of potatoes and two loaves of white bread. How much did he spend?

|  | Price List |
| :---: | :---: |
|  | Carrots per kg ......80p |
|  | Potatoes per kg ....70p |
|  | White bread ...... £1.35 |
|  | Brown bread ..... £1.40 |
|  | Apples per kg ...... 90p |

## £

2. 

Write the numbers, as decimals, indicated by the arrows.

3.

Calculate 41 + 2.6
4.

Partition 108.4
5.

Choose which box to put each digit in to make the closest number to $\mathbf{6 2 1 . 3 4}$ that you can make. You must use all the digits. You can only use each digit the number of times it appears on the cards at the bottom.

6.

## Partition 374.9

7. 

Write four thousand and twelve in figures
8.

Write the numbers, as decimals, indicated by the arrows.

9.
